

Elantis Premium Funding

Experts in Premium Funding with **flexible** options and **exceptional service**.

With 30 years' experience, Elantis has always supported brokers and clients with their Premium Funding needs.

At Elantis, we partner with brokers to provide clients with a tailored and affordable way to pay for their insurance premiums.

Premium Funding helps your clients afford the recommended insurance cover they need by spreading the cost of their annual premium over regular instalments. This allows them to manage their cash flow or invest it back in their business.

We fund both commercial and domestic policies and can combine the funding for these policies in one contract.

With over 30 years of experience, we make premium funding simple. Our team are passionate about delivering exceptional customer service and building long-term partnerships.

You and your clients will receive:

- Cost-effective and flexible premium funding solutions with multiple repayment options including fortnightly, monthly, bi-monthly and quarterly
- The ability to spread the payment of insurance premiums over regular instalments, freeing up cash flow to invest back in their business
- The benefit of not having to provide security
- Easy quoting and fast approvals
- Broker accept for loans up to \$25,000
- Our signature 'kick-ass' customer service

With experts all across Australia and New Zealand, there will always be a team member on hand to provide you with the support you need and expect.
